Sign in

Can't access your account?

3. Sign in with your <u>username@whitburncof</u> <u>eacademy.org</u>, and usual password

Stuck here? Go to <u>tinyurl.com/whitburnoffi</u> <u>ce</u> and give as much detail as you can about the problem

4. Here you can load your usual apps like Word, Excel, PowerPoint and access your files in OneDrive if teachers have shared files with you there.

Planner	People	Tasks	Video	SharePoint	Delve	Newsfeed	PowerApps	Flow	Stream		
Teams	Dynamics 365										

5. If your subject is set up on Teams (such as Computing, Media Studies and more – check with your teacher if not sure) you'll need to load the Teams app.

Get the apps – remember to use the same login

Microsoft Teams

Instantly access all your team's content from a single place where messages, files, people and tools live together.

Get the app \bigcirc

OneDrive

Cloud storage—view or share photos, videos, and documents from your phone.

Get the app \bigcirc

Create an interactive web-based canvas of your ideas and share it with friends and family.

Get the app \bigcirc

Office Lens

Trim, enhance, and make pictures of whiteboards and documents readable, then save them to OneNote.
