

Year 11 Survival Guide for Parents / Carers

This session, delivered by senior staff, aims to support parents / carers in helping their children through the most important year in their education. We will explain what we will be doing to support your children and how you can help them be healthy, happy and successful. There will be tips from last years' pupils as well as information on the post 16 routes available.

Please take this opportunity to join us in helping to give your child the best possible start to their future career.

When: Thursday September 20th 2018, 6-7pm

Where: Lecture Theatre at Whitburn C of E Academy
