'Excellence for All'

27th November 2019

Alternative Curriculum Day

Dear Parent/Carer

During Alternative Curriculum Day on **Friday 6th December 2019**, Year 11 students will be involved in a conference style event in our Sixth Form building. They will take part in a range of revision sessions in preparation for their forthcoming mock examinations and final GCSE examinations.

The day will include:

1. Sessions which focus on our core subjects of English, Maths, RE and Science.
2. A session based upon maximising revision techniques and exam performance.

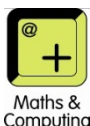

Please note that students are not required to wear Academy uniform but should wear **smart interview dress**. Make up and piercings are not permitted.

Each student will have a personalised timetable with their sessions clearly outlined. I am sure it will be an excellent opportunity to experience what further study at Whitburn would be like if they decide to attend our Sixth Form, as well as helping to prepare for future GCSE success.

Yours faithfully

V Carr
Head of Learning Year 11
