'Excellence for All'

27th November 2019

Year 12 Study Day

Dear Parent/Carer

Year 12 students took part in their 'Alternative Curriculum Day' last month when they visited Northumbria University. Therefore, on **Friday 6th December 2019** when the rest of the school are involved in 'alternative curriculum activities', we are asking Year 12 to study from home on an activity set by staff to complete.

In preparation for this, we have reintroduced Year 12 to the Unifrog system and have asked them to complete various activities to support them in investigating their 'next steps' after Sixth Form. These activities generate emails to their tutors who will want to see that the activities have been completed.

We would encourage you to talk to your daughter/son about their Unifrog searches as it can be very helpful for parents and carers to be involved in this research.

If your daughter/son would prefer to come into school to use the facilities here, then they are, of course, more than welcome to do so and rooms will be available in the main school. However normal lessons will not be running on that day.

If you have any queries about this study day, please do not hesitate to contact me via the Main Academy Office.

Yours faithfully

L M Craggs
Head of Sixth Form
