

# SEN OPEN EVENTS 22/23

**We encourage you to  
attend all relevant open  
events to understand  
your options**

There is specialist provision within South Tyneside for young people with special educational needs and have an Education Health and Care Plan.

Below you will find a calendar of events these specialist training providers and colleges have over this academic year. Giving you an opportunity to visit and understand what they offer is important to help you make an informed choice about your next steps.

**\*\*Please note all high needs funding admissions will be decided at SEN Panel in which they consider your needs, aspirations and outcomes of EHCP (including travel needs) to establish if the provision is appropriate \*\***
