'Excellence for All'

The Joint Council for Qualifications (JCQ), have informed us of the following contingency days:

For the June 2023 examination series, the awarding bodies have introduced two additional half-day contingency sessions. These are on **Thursday 8 June 2023** and **Thursday 15 June 2023**. The standard contingency day remains at the end of the timetable, being scheduled on **Wednesday 28 June 2023**.

JCQ have said, "if students are not available because they are on holiday and one of their exams is rescheduled to this day, they will not be eligible for special consideration by the exam boards. For this reason, JCQ requests all schools inform parents and students of this date so that it can be taken into account when making plans for the summer."
