Year 6 – MFL Preference

Dear Parent/Carer

We are delighted that your child will be joining the Whitburn Church of England Academy community in September 2026 and I am looking forward to enjoying a happy and fruitful partnership with you and your child over the coming years.

Year 6 is an emotional time for parents and carers and we fully appreciate that one of your concerns will be about your child's transition from primary to secondary school. We are continuing in our transition work with the primary schools, so that we can begin to get to know your child and to continue to do all we can to make your child's move to secondary school as smooth and supportive as possible.

Learning a language is an important step in your child's secondary education. At Whitburn we offer 2 MFL choices; Spanish and Mandarin, where students are able to learn about various cultures and traditions as a global citizen. The languages we offer have been deemed as being 'of crucial importance for the UK' by the report by the [British Council Report](#) and also in the 2021 government '[Foreign languages: skills in the workforce](#)' publication.

Why choose to study Spanish?

Spanish is an official language of 21 countries across three continents. With more than 400 million speakers, it is the second most spoken language by number of native speakers in the world, after Mandarin. It is considered one of the **easiest languages to learn** as it is completely phonetic and its pronunciation is relatively straightforward.

Why choose to study Mandarin?

Mandarin Chinese is the language with the most native speakers in the world, at more than 900 million. China's meteoric rise as a global economic powerhouse has transformed the dynamics of international business. Proficiency in Mandarin can open professional and personal doors; the ability to hold even a basic conversation in Chinese can give you a competitive edge in sectors ranging from finance and trade to technology and tourism.

I am delighted that, once again, Whitburn C of E Academy is able to offer these exciting and enriching curriculum options for our fantastic students.

Year 7 students will be allocated one of these languages to study from September. We ask that you complete this [form](#) to indicate your child's order of preference, if they have one, for which
